Some of our happy clients

Client questions...

- What is the fixed cost for the project?
- When will you be able to start and deliver?
- What is the status, are we on track?
- Can I get person X,Y, and Z on my project?
- Can I add this change to project X?

Internal questions...

- Should we bid with price X or Y?
- How do we optimally utilize our people?
- What's our projected profit margin?
- What was agreed - and when?
- How can we communicate trustworthiness in proposals?

All these questions. One simple answer!
